Year Five	Life Cycles	Earth and Space	Properties and Changes of Materials	Forces in Action	Changes and Reproduction	RSE
Year Six	Healthy Bodies	Seeing Light	Evolution and inheritance	Classifying Organisms	Working Scientifically	Changing Circuits

Units have been selected for certain times during the year to support cultural capital opportunities and outside school visits. This will allow for progression of skills and subject knowledge.

Children in the EYFS will be accessing learning opportunities through experience and investigative activities, this will be supported by their topics linked to their EYFS statements.
